## Company Profile

### Who we are

The Loft Studio LLC is the photography and cinematography studio located in the heart of Abu Dhabi, Reem Island. Established in 2016 we already made more than 1000 Emirati and European weddings around UAE and abroad. More than 350 corporate and private events. We have gained confidence of many well known companies.

Its ran by the team of 12 enthusiastic, energetic, creative and professional people with a hand in all aspects of the industry under the lead of Ekaterina Ivankina. We are proud of our wide experience gained in different parts of the world.

The scope of our studio is the charm, genuineness, creativity we inlay into each and every piece of photography and cinematography we perform.

### What highlights Loft Studio from other studios

We are first and only interior studio in UAE, our space of 320 sq m consist of the \*White Hall\* with 5 gorgeous columns full of natural lights, and \*Black Hall\* with 3 different style of backgrounds such as \*Library\*, \*Modern Chic\* grey area and \*Blue Gold\*

We offer classic studios shoots with professional lights as well.

We are full female team, our professionals have wide experience all around the world with big luxury weddings and corporate events.

We offer full spectrum of creative photography and cinematography services starting from initial concept of idea to full realization and finished media

We provide services from A to Z. We bring any idea of our Client to reality.
